DOW POWERHOUSE™ Solar Shingles aren't on the roof. They are the roof.

As an Authorized Dealer, we are pleased to offer DOW POWERHOUSE™ Solar Shingles, created for today's homeowners who choose to live each day empowered.

Now you can take control of utility bills by using the sun's clean abundant energy with a custom-designed array of Solar Shingles you'll be proud to own. And one that feeds electricity to your home. Call us today to discover the many benefits DOW POWERHOUSE Solar Shingles offer:

- Complements the design and roofline of any home
- Protects the home while providing energy and savings
- Offers a monitoring system to watch and manage electricity usage
- Made in USA and virtually maintenance-free
- Delivers durable performance and built to withstand hail, winds, and even 150 mph wind-driven rain
- Backed by the Dow brand and a 20-year warranty
- Safeguards too: POWERHOUSE has earned Underwriters Laboratories (UL) safety certifications

Call 860 209-1158. We're your DOW POWERHOUSE™ Solar Shingle Authorized Dealer.
