THANK YOU!

Thank you for your continued support of ENERGY STAR. Through your partnership, you are helping homebuyers experience the peace of mind, quality, comfort, and value that come with purchasing an ENERGY STAR Certified Home.

Thanks to you, ENERGY STAR really is the little label with a big message: Better is Better.

In 2012, Poirier Homes built*

6

ENERGY STAR Certified Homes

Last year alone, this achievement helped to:

- Save homeowners \$2,406 on their utility bills
 - Reduce 27,864 pounds of CO²

This is equivalent to the greenhouse gases:

- Produced by 3 passenger vehicles
- Emitted from burning 10,818 lbs of coal
- Saved by planting and growing 324 coniferous trees for 10 years

*Your ENERGY STAR certified homes are reported quarterly to EPA by your Home Energy Rater. If you believe that the reported number of homes is incorrect, please contact your Rater directly.
